PAY UP FRONT

Preventive Maintenance

Preventive maintenance usually involves replacing worn or damaged parts, topping up fluid levels and making routine adjustments to ensure risks are avoided.
We recommend that Brake Testers are maintained and calibrated as a Minimum 6 Monthly.
Failure to keep to the maintenance schedule could also invalidate your equipment's standard warranty.

ALL PRICES EX VAT

Purchase Order No. _____ Company Code: _____

☐ We are able to collect all invoices by Direct Debit, up to the value of £5,000.
If you **do not wish** for TotalKare Ltd to collect all invoices by Direct Debit **please tick this box**

Please Sign Below

Please return this document to us immediately to confirm that the above details are correct and to evidence your acceptance of sale attached to this schedule.
If we have not received notification of any changes to the above within 7 days of the date of this Order Acknowledgement, then you are deemed to accept that the details above are correct and also deemed to accept the conditions of sale attached to this schedule.
Please note, as standard our direct debit contracts are rolling contracts, the contract will automatically renew after the initial 12 months unless one of the parties provides notice to terminate the agreement. Please note prices are reviewed annually and any price increase will be notified to you in accordance with our terms and conditions.
For more information on our termination policy, please refer to our full T&C's. If for any reason you wish to terminate, then you may terminate this contract by giving six months written notice to us, subject to a twelve-month minimum term.
